**MOTION BY KENTUCKY POWER COMPANY
FOR INFORMAL CONFERENCE**

Kentucky Power Company moves the Commission pursuant to 807 KAR 5:001, Section 4(4) for an informal conference to present to Staff the results of Kentucky Power Company's investigation into metering issues in connection with two of its tie lines, and in support thereof states:

1. On July 18, 2007 in open hearing and by letter of even date from the undersigned, Kentucky Power notified the Commission, Kentucky Industrial Utility Customers, Inc. and the Attorney General that Kentucky Power had discovered certain metering discrepancies at its 69 kV Leach to South Neal tie line with Appalachian Power Company and its Bellefonte 69 kV tie line with Ohio Power Company. At that time, Kentucky Power indicated that upon completion of its investigation into the metering discrepancies it would request an informal conference to report to the Staff, KIUC and the Attorney General the results of its investigation.

2. Kentucky Power requests an informal conference with Staff, KIUC and the Attorney General to present the results of its investigation and its proposal for addressing those results.

3. Kentucky Power suggests the informal conference be conducted beginning at 10:00 a.m. on September 19, 2007. If a conference can not be held on September 19, 2007, Kentucky Power suggests September 11, 2007, or such other time and date as may be mutually agreeable.

Wherefore, Kentucky Power Company respectfully requests that an informal conference be convened in this proceeding for the purpose set out above.

Respectfully submitted,
